

EEC Safety Data Sheet according to Directive 91/155/EEC				
1. Identification of the preparation and the company			Revised on: January 10, 2006	
Product name and/or code: EKOSORB PR-C				
Company: CHEMSTAR Czech Republic, s.r.o. Alej Svobody 881/56 323 18 Plzeň Czech Republic Phone: ++420 777 0 102 Fax : ++420 377 549 183 E-mail : chemstar@chemstar.cz		Sole distributor in UK: PCIS Ltd. Unit 12 Whitworth Road Armstrong Industrial Estate Washington Tyne & Wear NE37 1PP (UK) Tel: +44 191 4187773 Fax: +44 191 4187643		
Type of product: Anti- Graffiti Protective Coating			Application field: Graffiti protection	
2. Composition/information on ingredients Chemical name of hazardous substances				
Name	CAS-No.	Conc. range	Symbol	R-phrases
Emulgated natural wax in water		5 – 6 %	Xi	38
3. Hazards identification				
According to Directive 88/379/EEC the product is classified:				
The product is not classified as a dangerous chemical composition according to the law.				

4. First aid measures

General	Call a physician in case of health discomfort and doubt.
Inhalation	If inhaled, remove to fresh air. Call a physician if necessary.
Eye Contact	In case of contact, immediately flush eyes with copious amounts of water for at least 15 minutes, call a physician as soon as possible.
Skin Contact	In case of contact, immediately wash skin with soap and copious amounts of water.
Ingestion	If swallowed, wash out mouth with water provided person is conscious. Do not induce vomiting! Call a physician soon and show the label.

5. Fire-fighting measures

Suitable: For extinguishing of the material environment use the foam or powder extinguisher.

Unsuitable : Direct water stream

Specific Hazard(s): Carbon monoxide in case of low-oxygen burning.

Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes in case of release of bigger amounts of fumes/gases .

6. Accidental release measures

PROCEDURE(S) OF PERSONAL PRECAUTION(S)

Not necessary

METHODS FOR CLEANING UP

See Chapter 13.

7. Handling and storage

HANDLING

Follow service instructions. Avoid contact with eyes, skin, and clothing.

STORAGE

Conditions of Storage: Keep in cool place.

SPECIAL REQUIREMENTS

No

8. Exposure controls/personal protection**ENGINEERING CONTROLS**

Not necessary.

GENERAL HYGIENE MEASURES

Wash thoroughly after handling.

EXPOSURE LIMITS

Not given in the country of origin.

Personal protection

Respiratory protection: not necessary

Hand protection: not necessary but gloves recommended.

Eye protection: not necessary

General protection and hygiene: The usual precautions for the handling of chemicals must be observed.

9. Physical and chemical properties

Colour and form:	White liquid	Solubility in water:	Partly soluble
Density:	Not determined	Flash point:	Not determined
Vapour pressure (20°C):	Not determined	BP range:	Not determined
pH range:	5 – 7	Limits of explosion:	Non-explosive
Autoignition Temp.:	Not determined	MP range:	Not determined

10. Stability and reactivity**STABILITY**

Stability: Stable

Conditions to Avoid: hot surfaces

Materials to Avoid: during specified use is the material stable

HAZARDOUS DECOMPOSITION PRODUCTS

No in the course of common use.

HAZARDOUS POLYMERIZATION

Will not occur

11. Toxicological information

There is no data available on the product itself.

12. Ecological information

There is no data available on the product.

13. Disposal considerations

Contact a licensed professional waste disposal service to dispose of this material. Observe all federal, state, and local environmental regulations.

14. Transport information

ADR/RID		IMDG					
Class/Item number/Letter	TEC(R)	Class	PG	MP	UN-no.	EmS	MFAG
Non-hazardous for road transport		Non-hazardous for sea transport					
Proper technical name		IATA					
Graffiti remover		Non-hazardous for air transport					
		Not subject to transport regulation					

15. Regulatory information

Labelling according to EEC Directive 88/379/EEC.

Danger symbol:	No
Contains:	Not a dangerous composition
R-phrases:	
S-phrases:	

16. Other information

The information contained in this safety data sheet is provided in accordance with the requirements of the Chemicals (Hazard Information and Packaging) Regulations.

The product should not be used for purposes other than those shown in Section 1 without first referring to the supplier and obtaining written handling instructions. As the specific conditions of use of the product are outside the supplier's control, the user is responsible for ensuring that the requirements of relevant legislation are complied with.

The information contained in this safety data sheet is based on the present state of knowledge and current national legislation. It provides guidance on health, safety and environmental aspects of the product and should not be construed as any guarantee of technical performance or suitability for particular applications.
